About this messaging program

Texts may include updates about your horse's care, appointment scheduling and reminders, callback responses, and requested prescription or pre-purchase examination updates. Messages may be sent using automated technology. This program does not send marketing or promotional texts.

Your choice select one

☐

Yes, I agree to receive text messages from Daniel Equine Services LLC at the mobile phone number listed above for the purposes described on this form.

☐

No, I do not want to receive text messages from Daniel Equine Services LLC.

Consent is optional and is not a condition of purchasing or receiving veterinary services. Providing a phone number alone does not authorize texts.
